### How to Report a claim

If an incident and / or accident occur, it must be documented and recorded immediately.

If there is personal injury or property damage contact RCABC immediately.

An **Accident Report should be the minimum level of documentation**. Additional documentation of witness statements, list of names involved, photos of the scene would make an exceptional report. Reporting should be as in depth as possible as most litigation is brought forward years after the incident when club members with a memory of the incident might not be around anymore.

Once complete, the Report should be either faxed to Holman Insurance Brokers Ltd. at (905) 886-5622 or email to [peter.fetherston@holmanins.com](mailto:peter.fetherston@holmanins.com) . Forward any correspondence relating to the potential claim.
